Dear Sir:

TERMINAL DISCLAIMER

Petitioner, Halliburton Energy Services, Inc. is the owner of the entire right, title and interest in and to the invention claimed and disclosed in the above-captioned patent application.

The Petitioner hereby disclaims the terminal part of the statutory term of any patent granted on the above-captioned application, which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of prior U.S. Patent No. 6,266,619, and hereby agrees that any patent so granted on said above-captioned application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the above-captioned application and to be binding upon the grantee, its successors or assigns.

MAIL ROOM

The Petitioner does not disclaim any terminal part of any patent granted on the above-captioned application that would extend to the expiration date of the full statutory term of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned is an attorney of record.

Respectfully submitted,

JENKENS & GILCHRIST,  
A Professional Corporation
